MEMORANDUM FOR: Director of Logistics

SUBJECT : Attendance at Senior Service Schools

25X1A

1. [redacted] has asked that we provide you with an extract of the report on the above subject that was submitted to the Executive Director 17 July 1964.

2. In addition to getting a list of Logistics careerists who have attended senior schools, you may also like to see a few of the summary tables that appeared in the report. Also, we thought you might like a numerical break-out by Career Service of the DDS members who have attended the schools so you can compare your own numbers with those of other DDS components for each of the 6 schools which DDS personnel have attended.
